We are a state non-profit tax exempt Cultural Society, working with the community to promote the Scottish/Celtic Culture. Our largest annual event is the Scottish Highland Games, which is always held the first Saturday in June at the Tuolumne River Regional Park.

From the profits of the Highland Games, we promote the Celtic Heritage in the community and in the educational facilities of our community. Members attend these facilities for the purpose of demonstrating Bag piping, Highland Dancing, Scottish Athletics and the History of Scotland and the Gaelic people.

Sponsors for the Scottish Highland Games make it possible to use the proceeds from the Games to go toward supporting these and other activities and events in the community.

We invite you to help support or sponsor our Highland Games. Help support our efforts by placing an ad in the Commemorative Highland Games Program, advertising your business, where it will be seen by thousands of attendees who come to the games. We also accept cash donations and sponsorship opportunities for you and your business.
